Foreword

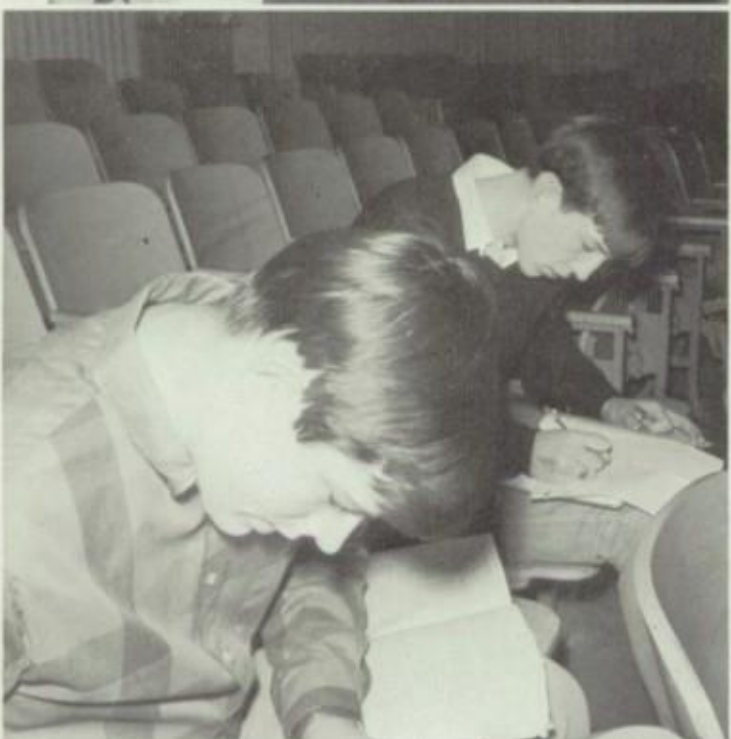

This edition of the "Shield" is presented to you with the hope that many of the memories of the 1966-67 school year may be relived in the future.

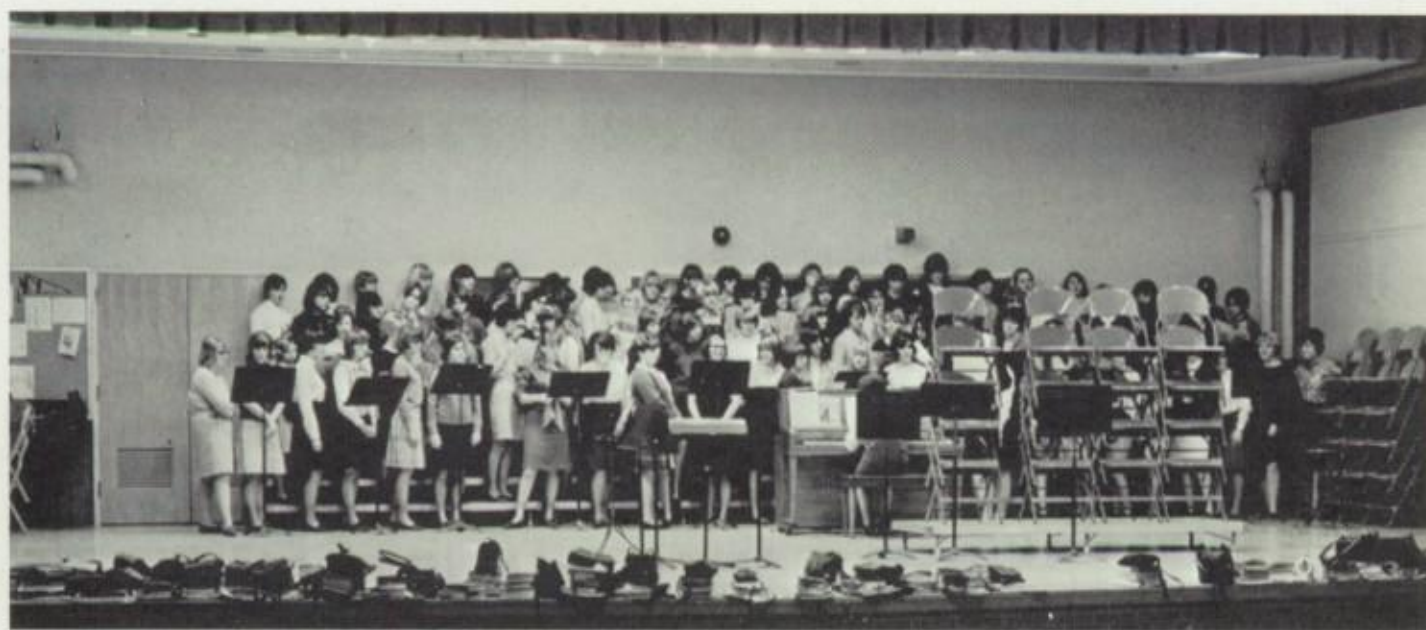

"Stairs," which reminds you to step forward and upward, has been chosen as the theme for this book. Looking through its pages, you will see pictures of familiar stairs that were climbed many times during the school year. You, Seniors, will soon be leaving these familiar halls, rooms, and stairs of River Valley High School and assuming life's responsibilities. May we, the Shield Staff, remind you that there can always be another step forward and upward on that great stairway to success.

JOHN McMAHAN, Editor
PAT DENMAN, Assistant Editor

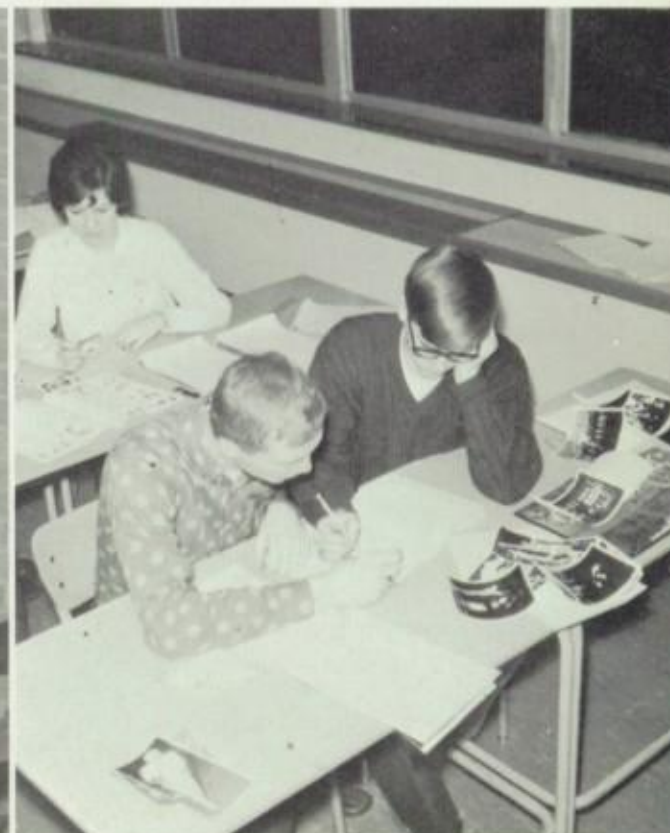

Everyday scenes, classes and special activities make River Valley tops. Even if it's just taking a break to get a drink, being a hard working student, or if you're a homecoming attendant, it seems to happen in a better way at R. V.

Teamwork plays an important part in each activity of the Vikings.

Performing in a band show, a dance after a game, or just doing some extra research in the library are some of the Viking activities.

Different events happening in the classroom include; talking over an algebra problem with the teacher, arm wrestling when the teacher is out, or just studying in the library help make up a day at River Valley.

With the help of the teacher, students use and prove their talents by taking art and shop classes.

Administration

Superintendent's Message

I would like to express my appreciation to the annual staff and their advisor for all the long hours that they have spent in the preparation of this yearbook. Their efforts will give you many hours of pleasant memories of your school life.

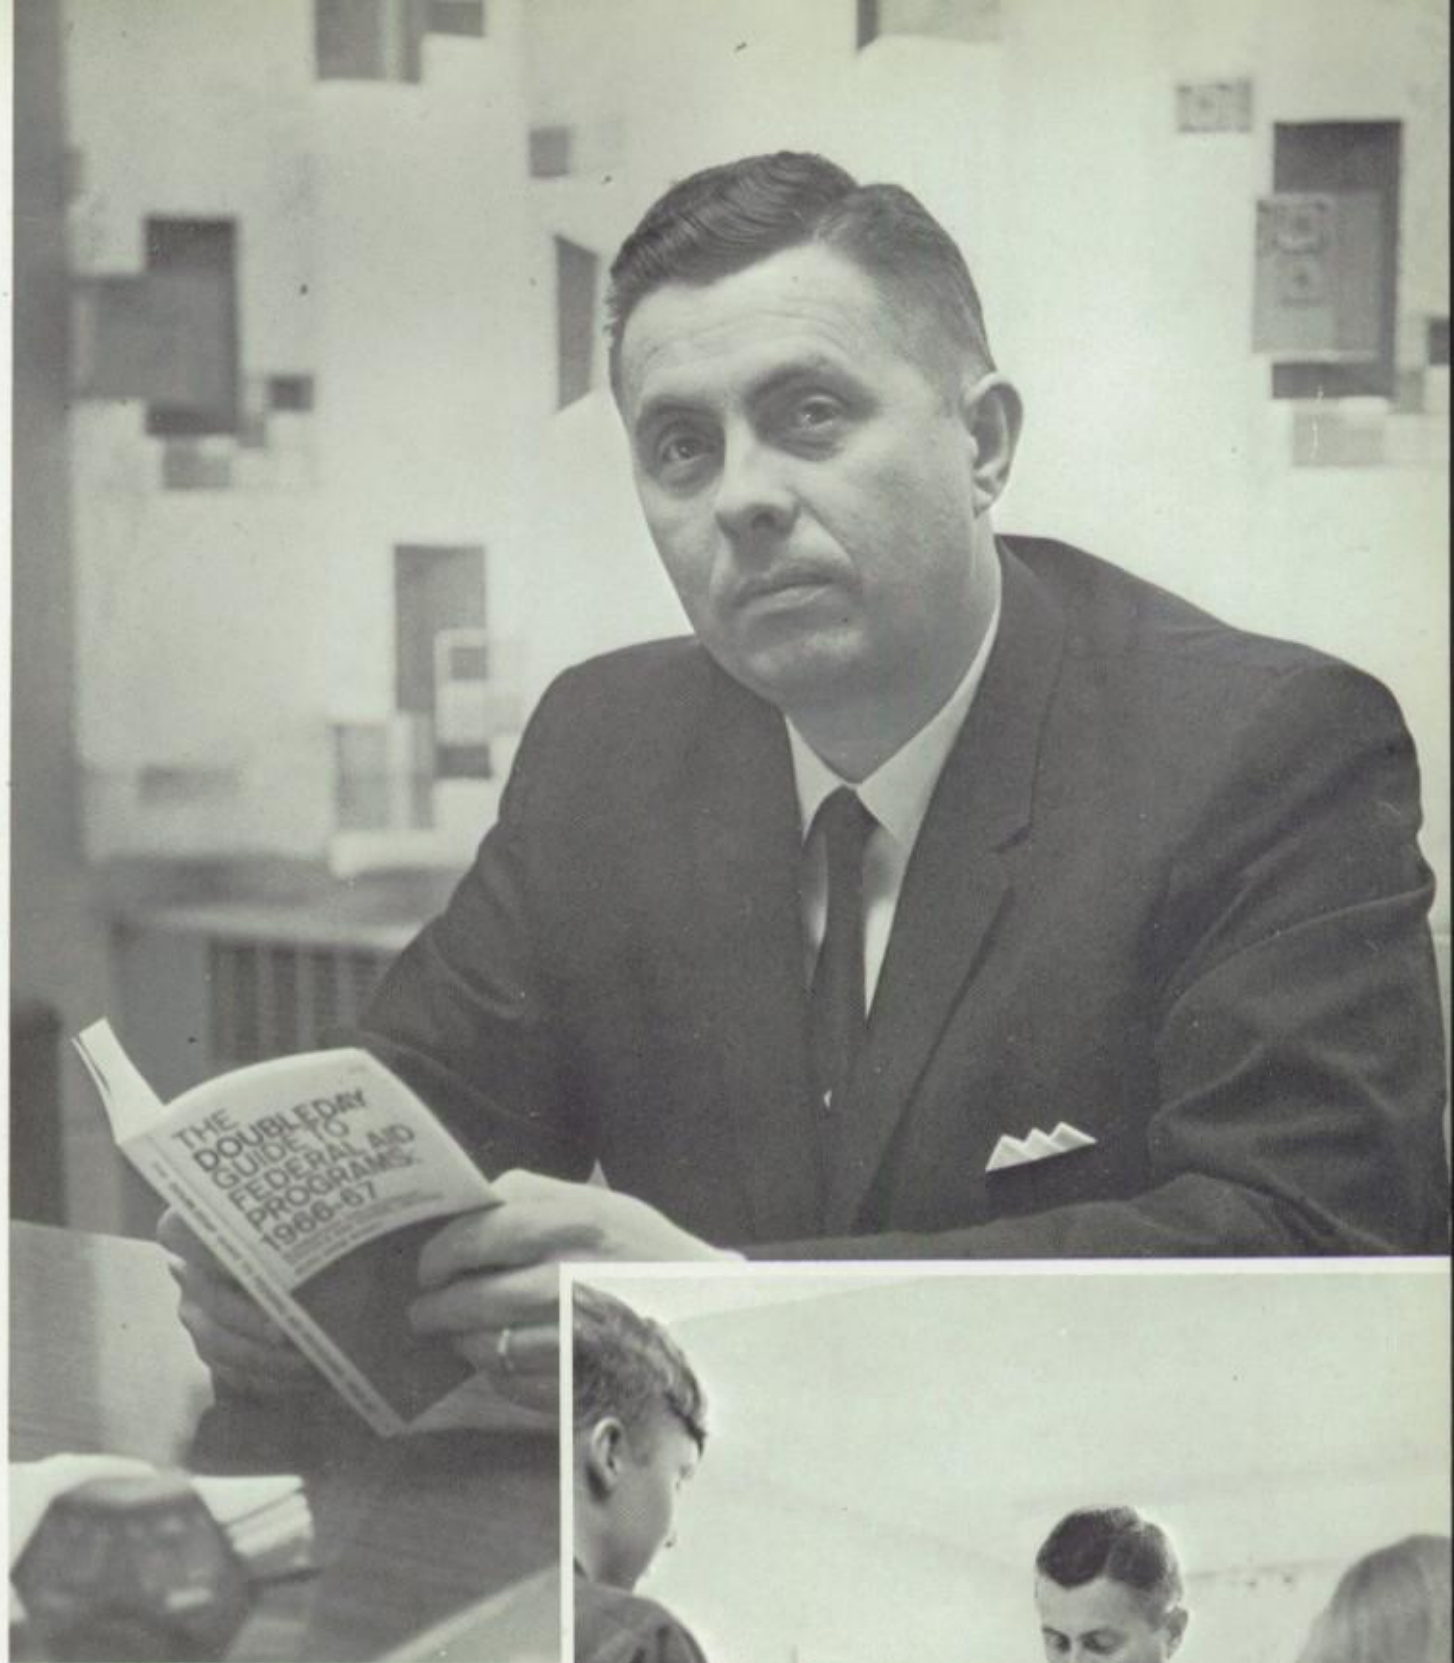

I would also like to congratulate the student body and particularly the Senior Class for your accomplishments and high standards of everyday living displayed during your school life.

It certainly has been a pleasure for me to have been closely associated with you through your Junior and Senior High School days; and to see you graduate, ready to go on to higher education or to take your place in our society.

I hope that you continue to put forth the time and effort in your future endeavors that you have displayed in your school activities, and I am sure that your adult life will be a success. The very best of luck to all of you.

E. J. Roberts

Principal's Message

An Athenian oath was: "My country will I leave better, not worse." This 1967 graduating class has certainly lived up to this creed.

In all phases of secondary high school work this class has excelled. Keep up this desire and you will succeed in whatever vocation is your choice.

I sincerely hope you will leave these River Valley Halls with a deep appreciation of the fine high school education provided to you by the citizens of this community. Your turn to provide the same for other children is not far away. Do your best! I know you will.

Congratulation on your achievement and ever-lasting success.

Every Summer, students from over the state of Ohio come together in order to learn, through experience, the various functions of our State Government. Through enactment of the duties assigned them in their elective offices, the participants prepare themselves, as future citizens, for an active role in the leadership of their country.

THOUGHTS FOR THE 1967 GRADUATE

*Wisdom is the principal thing; therefore get wisdom:
and with all thy getting get understanding. Prov. 4:7*

"Based on my experiences, in many lands, with peoples of widely varying characteristics and customs, I reject this secular concept of the nature of the universe, and how it is ordered, and the nature of man and his place in that universe. I hold that those basically spiritual values, patriotism, piety, honor, love, duty, charity, and personal responsibility, which can

neither be observed by the senses nor measured by instruments, constitute the most powerful of those forces which, in the years to come, will shape the character of our world and of its peoples!"

Admiral Ben Moreell,
CEC, USN (Retired)

KIPLING

We congratulate each member of the Class of 1967. As you reach this important threshold of high school graduation, it is our hope that the knowledge gained will stimulate you to greater things and will serve you well throughout life.

You now are ready to accept the challenges of tomorrow . . . with the opportunity to apply what you have learned to the achievement of your personal goals, and to the continua-

tion of the high ideals of our free society. Past graduates of your fine school have made many outstanding contributions to our community . . . and to Marion Power Shovel Company, as well.

We join with your family, friends and community in an earnest wish that your life will be complete and rewarding, in whatever career you choose.

Building a robot, being initiated into Latin Club, and dressing up for Senior Day were a few activities that took place during the 1966-67 River Valley School year.

From beauty queens to large spontaneous football crowds to basketball, River Valley has always furnished a variety of attractions.

Student life at R. V. is an active one. Be it in the classroom, at a dance, or in sports, they participate fully.

River Valley students do their best in everything they do. In pole vaulting or being a majorette it takes that little extra push or strut. Even in the Sadie Hawkins Dance contests, they tried their hardest to win.

Finis

We Are The 1966-67 "Shield" Staff

EDITOR

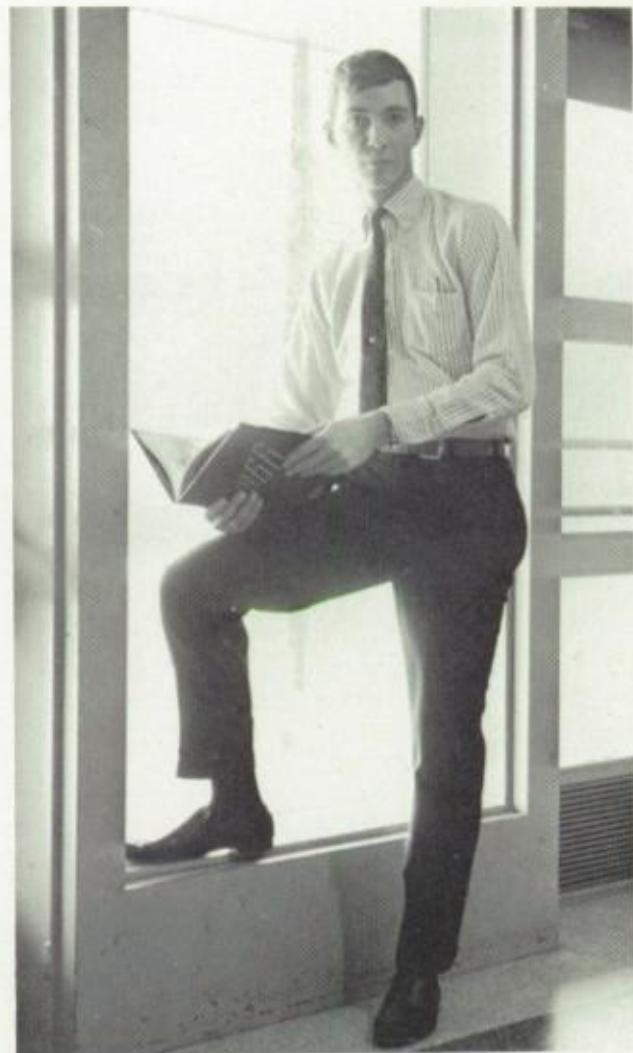

I wish to express my personal appreciation to the many people who helped make the 1967 "Shield" a success.

First of all, I thank the many advertisers who so gladly helped us to sponsor this yearbook and hope the patrons of River Valley District will remember them in their future business dealings.

I would also like to thank Mrs. Hatten for her time and efforts and the staff for their co-operation.

This has been a great experience during my past four years, and what I have learned has made time well spent.
